

PAMPHLET

A PUBLICATION OF THE PRIMARY ASSOCIATION FOR MATHEMATICS

1. This is a special bulletin to help parents
(OUT OF PRINT)
2. Teaching Graphs K-6
3. Teaching with Calculator K-6 *(OUT OF PRINT)*
4. Exploring Mathematics with Pattern Blocks
(OUT OF PRINT)
5. How to Run A Maths Fun Day
6. The Geoboard for teaching Primary Maths
7. Maths Groups
8. Balloon Activities. Why use balloons?
9. Turning the tables *(OUT OF PRINT)*
10. Adding an environmental education perspective to mathematics
11. Computational estimation
12. Solving problem solving problems
13. Apple Maths
14. Space
15. Number 1 revisited
16. Body Maths
17. Ways with arrays
18. Maths for all seasons
19. Economical Maths ideas
20. Water
21. Beyond just a game
22. Maths to munch on
23. What's the question?
24. Dinosaur Maths
25. Calculators don't do maths
26. A Whale of a time with maths
27. The Heart & Soul of Mathematics
28. Teaching Capacity
29. Mathematical Investigations
30. A Flood of Maths
31. Developing Mathematical thinking through investigations
32. From Athens to Atlanta
33. It all adds up! (part 1)
34. It all adds up! (part 2)
35. Health and Happiness Peace and Prosperity
36. Great Mathemoments in History
37. Stimulating Children to learn Mathematics
38. Mathematics- With a sheet of Paper
39. Investigating Patterns with Patchwork
40. Taking a Chance on Maths
41. Fraction/Action
42. What to do with a line
43. Spotty card games
44. Kindergarten- Domino Bears
45. Using Print Resources
46. IMPS Working Mathematically
47. Paper Folding
48. 2001 A star Odyssey
49. Mathematics in Sport
50. Artistic shapes
51. Cranes (in press)
52. The Playground: A Mathematics Trail
53. Index 1-26
54. Index 27-53
55. Mexican Ojo de Dios – God's Eye
56. Learning to Walk
57. Extending Chance and Data Ideas
58. Patterns into Algebra
59. Cereal Mathematics
60. Organising a Mathematics Fun Day
61. Numbers Past to Present
62. See You Later Tessellator
63. In a While Repeating Tile
64. Tessellations to the Max
65. Lost in Space ... and Loving It
66. More Dominoes in Middle School
67. Maths Fun Days –Number & Data
68. Maths Fun Days – Patterns & Algebra and Measurement
- 69 Maths Fun Days – Space & Geometry and Investigations

Prices: PRICES INCLUDE GST Each item has two prices (member/non-member),

Individual Issues \$2.00 / \$3.00 each

PAMphlet packs

..... **20 most recent** PAMphlets (\$35.00 / \$50.00)

..... **PAMphlets 1- 35** (\$50.00 / \$65.00)

(A few of the very early numbers will be photocopies)

..... **PAMphlets 36- to current** (\$50.00 / \$65.00)

To order please complete the form on the back of this sheet
