

Explicit Teaching in Mathematics 7-10

Who should do this course?

This course is designed for teachers of Secondary Mathematics 7-10 who are looking for interesting and engaging ways to teach content.

What will happen on the course?

Participants will:

- Engage with lessons and resources designed and ready for your class
- Consider the launch of a concept and where it can be placed to improve learning without taking extra time from our schedules
- Learn about how to create learning experiences for students that enhance the meaning in their routine practise of skills and procedures
- Explore how our instruction of concepts can connect and build throughout grades

Why should I take this course?

Take this course to learn a variety of interesting approaches to teaching 7-10 mathematics content. Lessons are designed to complement your existing practice, NOT add to your workload or teaching time. So come along to consider how to help your students answer the question 'why are we learning this?'

Dates of Course	Time	Location	Registration Closing Date
Term 1, 2026 Tuesday 31 March	9am – 3:30pm (Sign in from 8:30am)	MANSW HQ Gateway Business Park, 77 - 79 Parramatta Road Silverwater	27 March 2026
Term 2, 2026 Thursday 11 June			9 June 2026
Term 4, 2026 Friday 6 November			3 November 2026
Registration Fee:	\$260 for Members	\$375 for Non-members	\$99 Student Members

Register online via the Professional Learning tab on the MANSW website(www.mansw.nsw.edu.au). Any questions regarding registration, please email events@mansw.nsw.edu.au
